

Exit plan for SARS-CoV-2 lockdown: hygienic recommendations

Contact the staff **IN ADVANCE** by phone (Cisco Jabber) or email for remote sessions or any assistance:

Do not use the platform if you are **sick** (+/- symptoms), or if you have been in contact with a **contaminated people**, in the last 14 days.

Book on line your session when possible. Check if nobody else works in the same room at the same time. Focus on softwares that can be easily installed on your personal computers & teleworking.

Wash your hands with soap & water or use a hydroalcoholic gel. Dispose of used paper tissues in dedicated waste bins.

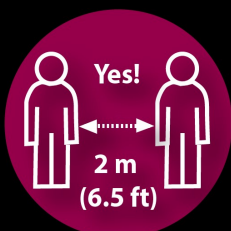

Use new gloves, and wear a surgical mask & goggles when possible.

Before starting your session: (1) wash all contact surfaces with 70% EtOH on a cleaning tissue (keyboard, mouse, eyepiece, touchscreen, joystick, etc...), (2) Wait 10 minutes.

At the end of your session: repeat (1,), (2) & trash cleaning tissues in dedicated waste bins.

Maintain social distancing all the time. Only one person authorized per instrument or per box.
